**Highway Construction  
CTH L (Janesville Road)  
Pilak Creek Structure and Approaches  
City of Muskego**

Waukesha, WIS. – Waukesha County plans to reconstruct the CTH L culvert over Pilak creek and the roadway approaches in the City of Muskego. The culvert is located approximately 350 feet west of Pioneer Drive. The purpose of the project is to replace the existing deteriorating structure with a concrete box structure and to improve the adjacent roadway at the site.

Construction activities are scheduled to begin Monday, April 2, 2007 and be completed by June 15, 2007.

CTH L will be closed to traffic for the duration of construction. Traffic on CTH L will be detoured to CTH Y (Racine Ave) to CTH HH (College Ave) to CTH O (Moorland Road) back to CTH L.

For more information, please contact Mr. Kevin Yanny, department project manager at (262) 548-7740.
